

**Eglinton St. George's United Church
Funeral and Memorial Service Receptions**

If you wish to have a reception at Eglinton St. George's following the funeral or memorial service, the minister will put you in touch with the Funeral Reception Coordinator. The Coordinator will discuss details of your reception needs with you and make necessary arrangements with other staff and the congregation's Funeral Reception Team.

Servers

Our Funeral Reception Team is available to support you during the service and reception. Members can set out the food and dishes for the reception; serve at the reception, clean-up following the reception or simply be available to familiarize you with the facilities if you wish to look after these duties yourself or hire a catering staff.

Rooms

Receptions under 50 will be located in the Eglinton Room, on the same floor as the Sanctuary, fully accessible and close to the Main Kitchen. Receptions of over 50 are located in the Gym, one floor below the sanctuary, beside the kitchen. There are a few steps to the Gym, but a chair lift is available from the sanctuary to the Gym.

Caterers

There are a number of catering options (see following page). Your funeral home may also have suggestions. Our Funeral Reception Coordinator can answer questions you may have or you can contact the caterer for particular needs. Prices noted are approximate and reflect the cost of a luncheon reception including sandwiches, sweets and veggie tray. There is a \$25.00 charge for hosting a reception of less than 100 and \$50.00 for over 100 people to cover costs of coffee, tea, milk, table coverings and napkins. For groups of 100 or more, there will be a cost for renting dishes.
